THE MAUI ELECTION

Home Rule Winners Inexperienced Men.

Death of Ed. Pogue Causes General Grief.

Japs Celebrate Imperial Birthday. Halloween Party at Paia. Stray Notes.

MAUI, Nov. 7.—The result of last Tuesday's election on Maui was simply appalling to Republicans, while the Home Ruleers though jubilant were amazed at a success beyond all their previous claims. They expected to win a majority of the offices but never claimed the whole. They now begin to think of the responsibility they have assumed and of the inexperience of the men they have chosen to manage the business of such a large corporation as the County of Maui.

The average majority obtained by Home Rule candidates excepting the Supervisors is 140 votes; including the Supervisors the Republicans as a whole lost by an average of 167 votes; which is more than accounted for by disaffections within their own ranks. A change of but 84 votes accomplished the Republican defeat and comparing the present results with those of last election, it is noted that there was a disaffection of 50 votes in Wailuku, 30 votes in Hana, 30 or 40 votes in Hamakua (probably at Pauwela), Home Rule gains in Keanae and Pukoo. The loss of 20 or 30 majority at Kalapaua should also be mentioned.

The shrewdest party management and the most strenuous efforts by plantations and individuals are necessary for assured Republican success on Maui.

The following was the vote cast at the election:

Supervisors—W. H. Cornwell, Jr., 778; J. K. Hibio, 767; G. P. Kauimakaole, 761; C. L. Kookoo, 724; T. B. Lyons, 794; A. N. Hayselden, 628; J. K. Joseph, 563; W. H. King, 515; T. T. Meyer, 582; W. F. Pogue, 559.
Sheriff—L. M. Baldwin, 614; Wm. White, 722.
Clerk—D. H. Kahaulio, 693; D. Morton, 606.
Auditor—L. R. Crook, 756; W. A. McKay, 531.

Assessor—D. K. Kahaulio, 680; W. T. Robinson, 626.
Attorney—N. W. Aluli, 589; John Richardson, 748.
Treasurer—P. Cockett, 721; F. Wittrick, 563.
Surveyor—H. Howell, 559; J. K. Kahookole, 754.

LITERARY MEETING.

Last evening, the 6th, the meeting of

NEVER GIVE UP.

It is the monotony even more than the pain that makes a long illness so hard to bear. Life is like a long rainy day. One sees all things through blue glasses and walks in the Valley of Shadows. The attention is withdrawn from outside matters and centered on oneself. The various symptoms of the disease, whatever it may be, continually appeal to the sufferer's feeling and fancy until other thoughts can get little welcome in his mind. Sometimes this is merely an affair of a few months, and again it may drag along for some years. It depends on circumstances; no two cases are alike. The words oftenest on the lips of these poor souls are, "Oh, nothing does me any good; I'm sure I shall never get well." Yes, you will. In spite of your lack of faith in medicines let **WAMPOLE'S PREPARATION** have a chance to do for you what it has done for a multitude who were once as miserable and hopeless as you are. The complaint which it cannot benefit or cure must be incurable. This rare healer is palatable as honey and contains all the nutritive and curative properties of Pure Cod Liver Oil, extracted by us from fresh cod livers, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. It purifies the blood, expels the poisons, stimulates and regulates every function, and infuses vitality where there was naught before but the feebleness and languor of disease. No slow or doubtful action. Try it and thank us for the hint. Effective from the first dose, and inspiring as fresh air let into a dungeon. One bottle convinces. "You cannot be disappointed in it." Sold by chemists here and everywhere throughout the world.

the Literary Society and the annual sale by the Ladies' Aid Society held at the residence of Mr. and Mrs. D. C. Lindsay of Paia was a great success both socially and financially.

The excellent program rendered was of a musical nature with exception of a recitation by Miss Agnes Fleming. There were piano and vocal solos by Miss Sheffield and Mrs. R. von Tempsky, a cornet solo by C. D. Lufkin, a vocal solo by Rev. W. Ault, a selection on the bag-pipes by Mr. Reed, etc. Mesdames Nicoll, Taylor and Carley presided at the table for the sale of fancy articles; Mrs. D. B. Murdock at the candy table; Mrs. W. F. McConkey at the handkerchief table; Mrs. Hanstad at the neck-tie table, and Mrs. W. E. Beckwith assisted by some young ladies had charge of the ice cream tables. Everything was sold by the ladies and \$180 were realized for charitable purposes.

HALLOWEEN PARTY.

On Saturday evening, Oct. 31st, a most unique and pleasurable Halloween party was given at the Paia home of Dr. and Mrs. W. F. McConkey. The young men and women who were the invited guests discovered the place of entertainment by a hideous jack-o'-lantern on the gate-post and by a lighted skull with cross-bones farther up the walk near the entrance to the dwelling.

Five mysterious figures draped in black stood here and there on the long verandas pointing the guests to where they should enter the interior. The evening's fun consisted of many old-fashioned games customary on such occasions. There were apples and popcorn every where. The refreshments consisted of doughnuts, pumpkin pie and cider. One of the events of the evening was the arrival of four young men from Puunene (Messrs. Lougher, Thompson, Westcott and Betts) in disguise; two of them with painted mustaches and goatees and the other two as fashionable young ladies. The occasion was a most enjoyable one.

DEATH OF ED. POGUE.

Sunday evening, the 1st, Eddie S. Pogue, the son of Mr. and Mrs. W. F. Pogue of Nahiku, died at Puunene hospital after a long and brave struggle against disease. Mr. Pogue was born in Hawaii on July 17, 1881, being but a few months more than 22 years of age at the time of his death.

He was a most estimable young man and had not an enemy in the world. Monday afternoon he was buried in the Makawao cemetery, Rev. W. Ault of Wailuku officiating.

JAPANESE CELEBRATION.

Instead of wrestling bouts, the Maui Japanese celebrated their Emperor's birthday on the 3d by attending the various churches and by calling upon their friends.

At Lahaina they held service in their Methodist chapel, and afterwards celebrated the day by games and sports. In the evening the fifty or sixty Christian Japanese had a feast as a finale. At Paia the Christian Japanese attended church and afterward distributed candy and sweets among the children.

The pagan Japs contented themselves by visiting their friends and taking a holiday from their labors.

STRAYS.

It is stated that J. N. K. Keola refused the offer by Home Rule to continue him in office as deputy tax collector of Wailuku.

J. P. Cooke of Honolulu, who is now at "Maluhia," H. P. Baldwin's Makawao residence, is soon to build a residence of his own in Kula.

The instructions to voters concerning the signing or writing of the voters' names were disregarded in Wailuku and other precincts last Tuesday.

This week the oil-vessel Fullerton unloaded her cargo of fuel at Kihel and departed.

The steamer Nevada arrived in Kahului this morning with 600 tons of merchandise. She will probably sail Monday directly to San Francisco.

Mr. and Mrs. S. M. Kanakani of Honolulu are at S. E. Kalama's of Makawao.

Tuesday night, the 3rd, H. A. Baldwin of Hamakua departed for Hawaii.

On the 4th D. B. Murdock of Paia departed for Hilo for the purpose of auditing the books of several large corporations there.

Last Saturday Miss Sadie E. Alexander returned to her home in Oakland after a visit of several months at Paia.

On the same day Mrs. J. R. Myers of Huelo went to Honolulu to meet her sister who is expected from the Coast. Good cauliflower is being raised in Kula.

Weather: Showery on the windward side of the island.

REMINDER OF COL. MAUS'S VISIT

Lt. Col. Maus of the Twenty-second Infantry, now aboard the Sheridan, when last in Honolulu, was with General Miles. The party was domiciled at the Hawaiian Hotel. Porto Rican sneak thieves stole from Col. Maus's room a valise containing valuables and important papers and part of Mrs. Maus's wardrobe. The valise was recovered, and after the departure of the party for the Philippines the police caught the thieves and had them sent to prison.

The Need of More Parks.

It is to be hoped that if Mr. H. E. Cooper's resignation is accepted, his successor will take up the scheme of providing public parks and grounds for the outdoor amusement of the people, especially for school children. As we have observed more than once, the greatest need for children is a place where they are perfectly free to expand their muscles to the greatest extent, without fear of breaking windows or damaging property or valuable products. Under their present deprivation of these places, it is really marvelous how free the streets and roads are from obstructions from games of children. The city needs lungs, too, which may be cultivated and made into ornamental parks and promenades, but the need of playgrounds is greater.—Anglican Church Chronicle.

KUHIO WAS IN ZION

Tells of What He Expects for Hawaii.

Will Work to Procure Federal Buildings for City.

Advocates Legislation Permitting Asiatics to Enter Islands as Field Laborers.

J. K. Kalaniana'ole, better known as "Prince Cupid," of Hawaii, the delegate from that territory to the Fifty-eighth Congress, was in Salt Lake yesterday for a short time, says the Salt Lake Tribune of Oct. 25. Mrs. Kalaniana'ole was with him. They are en route for Columbus, O., first, where the Prince is to appear on the stump in the Republican campaign.

They are both of the highest class of Hawaiians, the Prince being a cousin of ex-Queen Liliuokalani and of the royal blood.

When asked what legislation the Islands needed and what was to be asked for at the coming session of Congress, he replied:

"We need several things badly, most of all an appropriation. That's the first thing they ask for in Congress, I understand, but we really need a large one and we are entitled to it. Our customs house has more than paid off the debt the United States assumed when we were annexed, and has been a source of revenue besides.

"Honolulu harbor needs deepening badly, for as it is now the large liners can just make the entrance. The local government has been able to spend only \$300,000 on it and that was a mere bagatelle. The amount of shipping form that small port is immense and the improvements are real crying needs.

"Then we need legislation allowing Asiatic labor. Formerly we brought shiploads of Chinese over under contract and as soon as that had expired shipped them back. They are never allowed to do anything but manual labor. As they can be hired cheap and are by far the best workers we are almost ruined by the prohibition put upon the Chinese coolies' importation.

"Another thing we are sadly in want of is a federal building or buildings adequate to the amount of business done. Now there is no regular federal building at all. The old palace is used for some offices and the county building for others, while the customs house is entirely too small. The business in this office is very large. All these things we need and I am going to make a strong effort to get some of them.

"At present business is bad. The boom we had just after the annexation has died down and now that the Chinese labor has been cut off our planters are at a disadvantage and business suffers."

Mr. and Mrs. Kalaniana'ole went east over the Rio Grande last night. They were here long enough to see a little of the city, with which they were much pleased.

Icy: "Didn't you get no money from dat woman yer held up?" Asked the first footpad. "Naw," replied the other, shivering slightly; "she wuz from Boston." "Well, Boston people has money." "Mebbe dey has, but when I sez to her, 'Money or yer life, lady,' she sez, 'How dare ye speak to me widout de formality of a introduction,' sez she, an' leaves me froze stiff."—Philadelphia Press.
